Largest Provider in Germany

The m-s Teststudio in Hamburg is proud to be a partner of the HGT Teststudios Deutschland Network, the largest provider of test studio research in Germany, boasting 14 facilities across 12 locations. Every studio within the network is equipped to deliver everything you need for high-quality data collection.

Facilities

900 m² studio space with 30 individual test stations. 4 spacious group discussion units with one-way mirrors. Comfortable customer rooms, terraced cinema for 12-15 people. Test kitchen with 2 identical kitchen units. 2 wall-mounted refrigerated shelves. A separate group discussion room outside the studio. Sensory labs with tasting booths.

Technology and Equipment

Like all HGT Teststudios Deutschland studios, our Hamburg location is outfitted with state-of-the-art technology. Facilities include high-speed Wi-Fi throughout, multimedia and internet-enabled PCs, interpreter systems, as well as HD video and audio streaming and recording capabilities.

Range of Services

In addition to our state-of-the-art facilities for all types of studio testing, we offer precise recruitment services and face-to-face interviews conducted outside the studio. For added convenience, you can also book optional services such as interpreters, moderation, catering, transcription, and translation.

Planning a qualitative project that needs to be conducted online or in a hybrid format? Whether nationwide across Germany or internationally beyond our 12 locations, we've got you covered. At m-s Teststudios, you'll find everything you need, all under one roof!

Methods

We offer a wide range of methodologies, including focus group discussions, workshops, one-on-one interviews, and experiments/observations. Our services also cover UX, sensory, and device-based testing, as well as surveys conducted at trade fairs, in-home settings, and points of sale. Additionally, we provide comprehensive field services.

Industries & Markets

Our expertise spans a variety of industries, including consumer goods, automotive, retail, banking, insurance, capital goods, B2B, transport and mobility, telecommunications, media, software, election research, and pharma/healthcare sectors.
